Te Awamutu RSA Indoor Bowling Adjunct

We have started this year off as a very busy one. Our season started on 9th of April, and we are still going strong. We have 28 paid members. At recent club nights we have had about 15 – 18 players attend. It could be the cold wet nights that are keeping people away. But the numbers have made it comfortable to play.

We have played 3 lots of Club Championships so far this year.

Singles	Seniors Winner:	Lance King
	Seniors Runner Up:	Linda King
	Juniors Winner:	Murray Petterson
	Juniors Runner Up:	Rose Teddy

Drawn Pairs	Winners:	Linda King & Murray Petterson
	Runners Up:	Kathy Bryce & Loraine Cowan

Drawn Triple	Winners:	Noel Harris, Kathy Bryce & Rose Teddy
	Runners Up:	Brian Quinlan, Shirley McLean & Lou Brown

Congratulations to all winners and well done to those new players who gave it a go. On the 28th and 29th of June, the RSA National Indoor Bowling Tournament was held in Te Aroha. There were 38 teams from across the North Island, including a team from Southland. We entered 3 teams to represent Te Awamutu RSA. We had an enjoyable time and some of us learnt a lot. There was some amazing bowls played that weekend. I would like to thank the Brothers (Charles & Huggy) who made the effort to travel to Te Aroha to watch our teams play. Thanks Guys. The Winners of the Nationals was a team from Ashhurst RSA and Runners up were from Rotorua RSA. Congratulations to both teams. We have and will be, enjoying more tournaments away in the near future to Whangamata and Tokoroa.

I would like to thank everyone who have supported our Adjunct by buying our raffle tickets. We have about another 3 months of our season left. New members are always welcome, young or old. Give it a go.

Thank you
Linda King
President

From the Office

With the focus from Executive for improved communications, hopefully you will have received this newsletter by email. This is part of our new website features and development of the website will continue to occur with efforts from Executive PR team.

The beginning of July marked the beginning of working with our new Accountants, Elevate 360. We have discussed with Council about our Food Safety Plan. Our next review is at the beginning of December. You will notice our new gaming licence has been issued. We have ordered two new gaming machines for our gaming room to replace low performing machines. We hope to install them mid-month and to host Owen, IGT Sales Rep for an evening whilst he educates features of the new games to players.

A two-day Club NZ Managers Training was held at Club Mount Maunganui 23/24 July. It was a productive time catching up with other Club Managers and suppliers and supporters of Clubs within NZ. *“Despite rising costs and increasing pressures on clubs, club membership in NZ, industry wide, is growing at a rate of around 4.5% pa proving that New Zealanders are rediscovering the value of their local club.”*

A gentle reminder that we appreciate your donations for the Courtesy Van. These enable the van to operate. We really appreciate the Fishing Club stepping forward to fund the purchase of tyres and wheel alignment. Thank you also to Women’s Section for the two reams of photocopy paper.

We have TAB visiting us next month. Expressions of interest from members creating/joining a punters club would be welcome via the Feedback box next to Toilets. Our ATM is due for removal as NEXT Payments wish to charge us due to lack of numbers using the facility.

Had a conversation the other day with a person excited to tell be that their thermal cup kept a beer chilled for five hours. My question was, who takes five hours to drink a bottle of beer?

FINANCE COMMITTEE REPORT – FINANCIAL YEAR ENDED 31 MARCH 2025

From Challenge to Change

Twenty months ago, the Club operation was unable to meet its financial commitments and was on the point of financial collapse. Member loans and debentures had propped the Club up but cashflow continued to be a serious issue. The repayment of the Ivor Walter Stickley Charitable Trust loan provided the funds to clear all outstanding debt, repay loans, attend to overdue maintenance, replace the ageing air conditioning system and provide cash flow while changes to operations were made. The remaining \$100,000 of the loan repayment funds are held on term deposit.

The 2024 accounts showed considerable improvement to the liquidity position, but the Club operations alone made a loss of \$212,034. This loss included a donation to the Poppy Trust of \$51,927. This accounting transaction was necessary to separate the Poppy Trust from the RSA trading operation. Removing this transaction, a loss of \$160,107 remained. The 2025 Financial Accounts for the RSA only (not including the Stickley Trust) show a loss for the year of \$144,934.

Over the past year the emphasis has moved from survival to recovery. Changes implemented saw the Club move from a cash operating loss of \$64,309 in the 2024 financial year to a cash operating loss of \$5,627 for 2025, just short of the goal of breaking-even from a cash perspective.

It is many years since the Club operation has returned a true profit. It has been slow to recognize and adapt to a changing business and social environment. Incremental changes to operations will continue but a clear strategy must be developed to align with Club goals and to address the financial challenges while maintaining the RSA ethos.

8. SUPPORT SERVICES

Activity

- We are still working with veterans regarding VA benefits. At times the response to requests has been slow, due to either the workload of the VA Case Managers, or to local contractors being unable to respond because of heavy current commitments. We have dealt with/are dealing with several veterans on matters relating to obtaining benefits or upgrading the range of benefits they currently access.
- Regular monthly visits to Rest Homes by the DSA, LSA and Volunteer Support Workers (VSW). There are currently 31 people of whom 4 are associate members, who we try to visit monthly to make sure the Club stays in touch with them, and to check if there are any issues that we can help with.

- Currently the DSA now visits one home, the LSA, three and our remaining 2 VSW's, two, rest homes, for a total of six rest homes being covered.
- One of our members in a rest home has died, and we have added three more people to our lists.
- We held a meeting for Support Advisers during the month.
- I am currently only trained to handle basic enquiries. To extend my competencies and allow me to process the more complex cases, I need further training, which can only be provided at a national level; this can only be finalized once the national RSA constitution issues are finalized allowing other details, including liaison with Veterans Affairs, to also be clarified. Until this can be organized, the DSA will continue to work with these cases for members of the Te Awamutu RSA. During the month I passed on details of one such reference to the DSA for follow-up.
- The Health Shuttle reports that they assisted 23 of our members with health visits to the Waikato Hospital and specialist appointments in May.

 - After the AGM we were approached by 3 people. The interview process to bring these people into our system is under way.
- Local Support Advisor: so that the individual workload doesn't get too large, and that there is always cover when one or the other is away.

Women's Section Report:

The last month or so has been busy organizing for June's General Meeting and the AGM which were held last Wednesday 11th June.

The day started on a sad note where one of our out-going Co-Presidents had a nasty fall on the steps that go from the driveway to the ramp that leads into the RSA. She was badly bruised and while she is still in a substantial amount of pain, there was nothing broken and will take some time to heal.

Lou Brown, a member of the Executive Committee of the RSA was in attendance.

The General Meeting was led by Judith Steel, the other Co-President who welcomed the ladies saying how nice it was to see so many there. This also proves that having our committee phone the members as a reminder really is working.

There was a special welcome made to Jean Powell 93, Kath Bayly 92 and our Centenarian Bev Mason, who will have her 100th birthday on 25th June. Although these three ladies don't come to many meetings, mainly due to their health, they are still an integral part of our organization. Jean still drives at 93 and picked the other two ladies up in her car to bring along where they all had a whale of a time. Bev, the oldest of the three, although using a stick these days, is extremely sprightly and put a lot of us to shame as well as having us all in fits of laughter. Bev, according to her calculations, started at the TARSA in 1966 and had 8 years at Waitara RSA prior to that making a total of 71 years of loyalty to the RNZRSA and the Te Awamutu RSA Women's Section.

We arranged to have a beautiful Carrot Cake made and iced for the birthday girl to cut along with the help of Lou Brown and Judith Steel.

Before the meeting was closed, we had flowers and certificates presented by Lou Brown to the following recipients

Jean Powell Patroness.

Linda Fisher Card on the loss of her sister in USA already presented to her

Bev Mason Certificate of loyalty plus a lovely bouquet of flowers from Te Awamutu RSA

Certificate of appreciation and loyalty to the Te Awamutu RSA Women's Section

Plus a large bouquet of flowers for the loyalty and hard work she has provided to the Te Awamutu RSA Women's Section. Also to congratulate her on the achievement of reaching 100 magnificent years'.

What a great lady.

After the General Meeting we had a short break where Lou Brown stood to address the ladies, saying that there were more things in the pipeline in regard to Rates Rebates for us to look forward to.

The AGM resulted in a new committee as follows:

OFFICERS

President Lyn Dickie

Secretary Jenny Elers

Treasurer Raewyn Adams

COMMITTEE

Catherine James

Lois Knight

Cynthia McLeod

Fiona O'Connor

Val Phillips

Merle Youle

Our new committee will meet for the first time next week on 26th June 2025.

Women's Section Presidents Report 2024/2025

The 2024/2025 year started out quietly as it usually does over the Winter months.

We have had a few excursions away for Morning Teas or Lunches.

Tieke Café which was an enjoyable day but marred by the accidental falling of two of our ladies. One ended up having a stay in hospital but they are both now in as finer fettle as they can be.

We have had two trips to Raglan for Fish and Chips on the Wharf. The ladies really enjoyed this. We even stopped at Mana Bay to check out some surfers who were very easy on the eye.

Lily Pad Café in Cambridge was another great day

We have had a few really interesting Speakers over the last year.

Margaret Hall	Funeral Celebrant
Jill Taylor	Operation Christmas Hamper
Kirsten and Marie	Waipa District Council on Rates Rebate Team

In November we had our 82nd birthday with a record 110 attendees. It has been the best year yet. Although the organization of this day was a team effort, I must send thanks to my amazing committee for all the hours that went into making this day come together and be a one to remember. With 110 ladies in the clubrooms the place was full to brimming and abuzz with chatter and laughter. We had a phenomenal raffle prizes, plus some beautiful hampers donated by our local supermarkets. We had a full roast meal followed by dessert and then the cutting of the cake by Tony Hill, the RNZRSA Vice President and District President and Lou Brown, a long-time member of the TARSA Executive Committee and great supporter of the Women's Section.

December saw us winding down for the festive season so we had Christmas items and cake for afternoon tea following our monthly meeting.

In February we celebrated a very successful Purple Poppy Day at these clubrooms where we had special dispensation given that allowed us to bring in live animals. There were three dogs and a miniature horse. Although this was not a Women's Section initiative, Lyn was asked to be organizer and as she is on our Women's Section committee she roped in a few of us ladies to help. We all wore 'PURPLE' except for Shorty who WAS purple from top to toe. It was an awesome day that raised over \$700 and we are looking forward to another purple party next year.

There have been two conferences that some of our committee went to, both in the Waihi area.

The NWA AGM at Waihi in March saw us only wearing Op-Shop clothing with a best-dressed competition. Someone here came second. This AGM and the night previous were attended by the RNZRSA National President, Sir Wayne (Buck) Shelford and his second in command Tony Hill who is also the District President of Waikato area.

The District AGM was held at Waihi Beach in April. As usual this was another expertly run event and everyone had a brilliant time.

One week later and we were into full swing of organizing Poppy Day. Again, this was a very successful day and we were given a final 2025 total raised being \$13,996.90. What a superb effort by all who contributed their time for this annual activity.

A few days later and we were into ANZAC Day with Merle and myself laying the wreath for the Women's Section at the Cenotaph.

This is my final President's report as I am stepping aside after five years in the role. It has been an honour and a privilege to have been your president, but the time has come for me to hand the baton to someone else.

Thank you everyone for all your hard work.
